About Fashion Spot BD

Since 2000 Fashion Spot BD is a fast growing apparel manufacturing company in Bangladesh. FSBD is a trusted name of manufacturing apparels and fashion accessories for our buyers across the world. The entire collection of mid to high quality fashion garments are made for men, women, kids, babies, including high end fashion accessories.

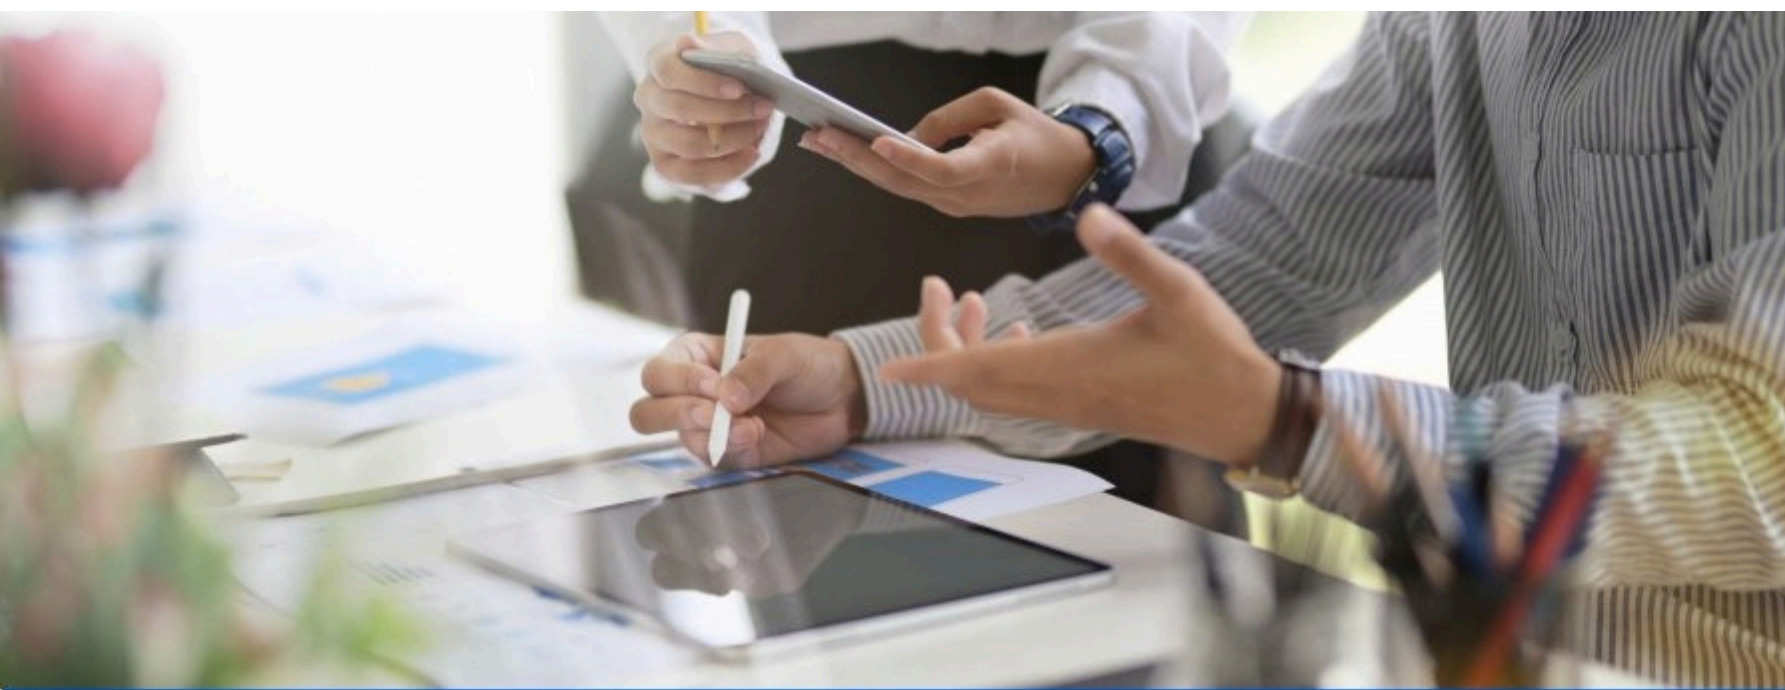

To provide our clients with a minimal turnaround time and quality products all our accessories factories are equipped with hi-tech machineries and highly skilled employees. Both Woven and Knit factories are system driven and meet universally accepted compliance standards.

Our team ensuring quality products to the customer with their highest satisfaction. Nowadays we are exporting 0.5 million piece in a year. To meet buyers requirement we are expanding our production capacity day by day.

FSBD maintain the flexibility to meet the trend in all aspects of design, quality, and other developments which are most desired by today's fashion conscious market. We make our valuable customers fashion imaginations true.
